FEATURED ENGAGEMENT

AI Influencer Social Media Management

Chance Bulger · Canada · 2024

Chance Bulger was an extremely talkative and amiable person. I was first hired by him to manage his AI influencer accounts on Facebook, Instagram, TikTok, and OnlyFans (Fanvue). Those accounts have been expertly managed by me. Seeing that I was experienced, he assigned me a second project centered around travel, where I was in charge of the travel-related social media accounts as well. Every time I completed a task, the client was delighted and always expressed gratitude. After completing all the requirements, he ended the contract himself.
