CLIENT OVERVIEW

Felipe Sepulveda

AI Influencer Marketing & Digital Content

CLIENT	LOCATION	PROJECT DATES	ROLE
Felipe Sepulveda	Philippines	Sep 2 – Sep 17, 2024	Digital Marketing Specialist for Sales, Traffic & Follower Growth

The client wanted to build and grow the online presence of an AI-generated model across social media platforms, using digital marketing strategies to attract followers, increase engagement, and generate traffic toward an exclusive subscription platform. The marketing approach focused on establishing the AI model's online identity, creating engaging promotional content, growing its audience, and using social media channels to drive potential subscribers to the platform.

FEATURED ENGAGEMENT

AI Model Social Media Management & Growth Marketing

Felipe Sepulveda · Philippines · 2024

The project focused on developing and implementing a digital marketing strategy for an AI-generated model to strengthen its social media presence, grow its audience, and increase traffic to its subscription platform. I managed the model's presence across relevant social media platforms, developing promotional content and marketing strategies tailored to each platform. The objective was to build audience awareness, encourage engagement, and guide interested followers toward the exclusive subscription platform. My work also involved monitoring advertising campaigns, analyzing performance metrics, and adjusting marketing strategies to improve traffic, follower growth, and overall campaign effectiveness.
