Blaine Pratt · Singular Parfums · United States · June 2025

Singular Parfums needed support with social media marketing and advertising to strengthen its digital presence and promote its fragrance products. I supported the campaign setup and marketing process, helping the client establish a smoother advertising workflow, while also presenting the brand through premium promotional visuals that communicate the product's luxury positioning — including a campaign for Singular X, inspired by Creed Aventus, using dramatic lighting, elegant typography, and a premium product-focused composition.
